

7.2 Best Practices

Best Practice – I

Title of the Practice: Promotion of Research

Goal of this practice: The main focus is to inspire the faculty to pursue higher studies and promote for Research in order to improve their skills and for that several efforts are made by the management of the college.

The Context:

- Incentives are paid to faculties for publishing research papers in International Journals and Conferences.
- Faculty is motivated for attending the workshops, conferences, seminars by paying Registration fee.
- After the completion of Ph.D. program significant increase in the pay is given.

Impact of the practice:

- Due to efforts taken by the Management, several staff members are motivated to register for Ph.D. program.
- Publication of research papers in reputed journals with high impact Factor motivates the faculty in research.

Best Practice- II

Title of the Practice: Student Motivation

Goal of this practice: To encourage students for participating in curricular and co-curricular activities.

The process:

The students are likely to be good in academics and should have well at industrial experience. Apart from academics, they are also required to update their knowledge with the latest developments in technology related to their research field.

- Along with good academic record, the students need to develop leadership qualities and good communication skills and soft skills.
- For these aspects, experienced faculties and prominent personalities from various reputed institutes and industries are invited to impart the practical exposure to the students through workshops, seminars, guest lectures, etc.
- The students are motivated to share their ideas with the outside world by presenting their work in National / International Journals & Conferences.

Impact:

- International Conference on ‘Tech Trends in Science and Engineering’ has been conducted 7th and 8th March 2019.
- Three University Toppers.
